SWAN VIEW TOY LIBRARY

WELCOME TO 2024

A warm and wonderful welcome to 2024 to all our members and community supporters.

Firstly are you ready to swap those toys?
We are back open on Tuesday the 6th of February.
We have Trudi and Jody on duty to start the year off.

DRAMATIC AREA CLEAN

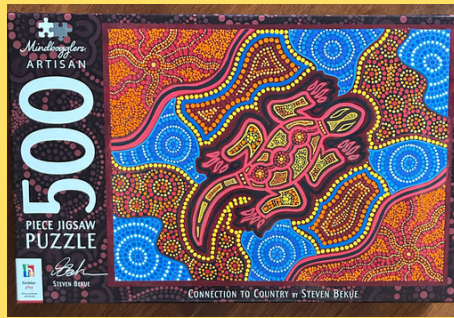

Our dramatic area has had a small makeover and clean.

We would like to express our gratitude to Emma and her husband, Andrew, for installing 2 new shelving units.

This has opened up the space and we are very happy with the results.

Emma and Andrew – we love your work

PUZZLES

NEW TOYS

A total of 32 new toys have been introduced into our library.

A big thanks to Emma, who is our toy purchaser, for all the work she does in actioning them in the library.

Did you know it takes around 1 hour to enter a new toy?
